

# Burgon & Ball

SHEFFIELD ENGLAND SINCE 1730

## SERRATED SUPERSHARP FOOTROT SHEARS

Burgon & Ball began manufacturing in 1730 in the industrial heartland of Sheffield and for over 280 years has produced some of the finest hand and cutting tools in the world.

### IDEAL FOR LAMBS AND GOATS

- 1 Serrated blade to aid grip and enhance cutting performance
- 2 High-carbon steel blades, heat treated to cleanly cut hard hooves.
- 3 Adjustable blade tension.
- 4 Simple, convenient blade lock.
- 5 Tough resin handles - to withstand hard wear. Moulded for maximum comfort over prolonged use.

#### TOOL MAINTENANCE

To keep shears in peak condition we recommend regular cleaning and oiling.
